COMMUNITY GUIDELINES

A good game is a game with your squad, and a good squad respects each other. The rules for living together in the game, on the website and on our official channels.

Boyzueira was born from Brazilian culture: the streets, funk and the creativity of the periphery. Here everyone has a voice, banter is welcome and disrespect isn't. These guidelines apply in the game, on the website and on our official channels.

In here we joke around, challenge each other and lose at truco laughing. But whoever plays dirty leaves the table.

1. RESPECT COMES FIRST

Treat everyone with respect. We do not tolerate any kind of:

- discrimination based on color, gender, religion, origin, appearance, class or sexual orientation;
- hate speech, personal attacks or incitement to violence;
- threats, harassment, stalking or bullying.

If you don't want people talking to you like that, don't talk to anyone like that.

2. NO CHEATING

The climb is made with effort and persistence. That's why it is prohibited to:

- create multiple accounts to gain an advantage;
- use bots, scripts, auto-clickers or any exploit;
- manipulate tasks, invites, verifications or head-to-head matches;
- fix results with another account or transfer followers between your own accounts;
- try to deceive other players or the team.

Found a bug? Report it to us instead of using it.

3. AUTHENTICITY AND CULTURE

Show your identity and play with style, with respect. It is not allowed to:

- post sexually explicit, violent or illegal content;
- use the Boyzueira name, image or brand to deceive or promote yourself without permission;
- fake achievements, screenshots, raffle results or official announcements.

4. SAFETY

Never share:

- your password, login code, seed phrase or private key;
- bank or card details, or documents, in chats;
- suspicious links from strangers.

The official team **never** asks for personal or financial data by message. The raffle is free: nobody pays to enter or to receive a prize.

5. IN CHATS AND ON SOCIAL MEDIA

- No spam, flooding or repeated messages.
- No promoting scams, pyramid schemes or shady crypto.
- Banter yes, disrespect no.

Moderators may warn, mute or ban users depending on their behavior.

6. REPORTS

Saw something toxic, offensive or suspicious? Send it to us through the bot **@boyzueira_oficial_bot** or support at **t.me/boyzueira_suporte**. Every report is reviewed confidentially.

7. PENALTIES

Breaking these guidelines may lead to a warning, temporary suspension, permanent ban and the loss of in-game followers, items and raffle numbers obtained irregularly. In serious cases (fraud, threats, crimes), we cooperate with the authorities.

8. OUR COMMITMENT

Here, whoever plays fair, grows with purpose and represents the favela with pride wins. These guidelines may be updated as the game grows; the latest version is always at boyzueira.com.
