COOKIE POLICY

What Boyzueira stores on your device: one language cookie and the minimum needed for your session and preferences to work. No advertising or tracking.

Cookies are small files that a website stores in your browser. This Policy explains what Boyzueira stores on your device, in the game (inside Telegram) and on the website boyzueira.com. The short answer: only what it needs to work.

1. WHAT WE STORE

WHAT	WHAT FOR	HOW LONG
Language cookie	Remember the language you chose.	30 days
Session (local storage)	Keep you logged into the game after logging in with Telegram.	Until you log out or the session expires
Preferences (local storage)	Language, sound, music, vibration and animations.	Until you clear your browser
Screens already seen (local storage)	Not show again intros and notices you have already seen.	Until you clear your browser
Pending invite (local storage)	Keep the code of whoever invited you until sign-up is complete.	Until sign-up is complete

2. WHAT WE DON'T USE

- Advertising or remarketing cookies.
- Third-party analytics or tracking tools.
- Selling or sharing browsing data.

3. THIRD PARTIES

The game runs inside Telegram and loads Telegram's official script for Mini Apps. Telegram processes data according to its own privacy policy.

4. HOW TO CONTROL IT

You can delete cookies and local storage in your browser or Telegram settings. If you do, the game will ask you to log in again and go back to the default preferences; your progress is saved in your account and is not lost.

5. MORE INFORMATION
