LEGAL DISCLAIMER

Boyzueira is entertainment. What \$BOYZ is and what it isn't, and the limits of the project's liability.

Read this first: nothing in Boyzueira is investment advice, a promise of profit or an offer of securities. The game is free and holding \$BOYZ is optional.

1. WHAT BOYZUEIRA IS

Boyzueira is a digital entertainment project: a game that simulates the rise of a virtual influencer, with tasks, achievements and in-game rewards. Texts, images, characters and mechanics exist for fun and to tell the story of the Boyzueira universe.

2. THE \$BOYZ TOKEN

\$BOYZ is the token of the Boyzueira universe, on BNB Chain, with a total supply of 1,500,000,000 and a public contract at the address

0xdBa22a3050A58a35738D8B6f56677Be695006F0d.

- The value of \$BOYZ depends on the market and can go up, go down or reach zero.
- It is not a salary, income or guaranteed gain.
- BOYZUEIRA LLC is not a broker, exchange, bank or investment company, and does not intermediate the purchase, sale or exchange of crypto assets.
- Before buying any crypto asset, understand the risks and the laws of your country.

3. GAME ITEMS

In-game followers, gems, chips, clothes, rides and other items are virtual, have no cash value and cannot be withdrawn. In head-to-head games (Truco do BZ and Pênalti da Zueira), bets are made in in-game followers, never in money or tokens.

4. LIMITATION OF LIABILITY

To the extent permitted by law, BOYZUEIRA LLC, its creators and partners are not liable for:

- financial losses caused by misuse, third-party fraud or changes in the price of crypto assets;

- indirect damages related to the use of the game or third-party platforms (Telegram, social networks, wallets, exchanges);
- third-party content, external links and scams that use the Boyzueira name;
- failures of devices, internet connections or external services.

5. SCAMS USING OUR NAME

The only way into the game is the bot **@boyzueira_oficial_bot**. The team never asks for a password, code, seed phrase, private key, PIX transfer or payment. Any request like that is a scam: do not answer and report it to **@boyzueira_oficial_bot**.

6. CHARACTERS AND BRANDS

Boyzueira's characters and situations may be inspired by Brazilian culture and public figures, but they are fiction and parody. Any resemblance to real people, events or companies is a cultural tribute, with no intent to offend or appropriate. Third-party brands belong to their owners.

7. CHANGES

Boyzueira's content and features may change, be updated or be discontinued. Important changes are announced on the official channels and on the website.
