TERMS AND CONDITIONS

The rules for using Boyzueira: who can play, your account, virtual items, the raffle, head-to-head games, the \$BOYZ token and what happens when someone cheats.

These Terms govern the use of Boyzueira, a game operated by BOYZUEIRA LLC inside Telegram, and of the website boyzueira.com. By opening or using the game, you agree to these Terms and to the Privacy Policy. If you do not agree, do not use the game.

1. WHO CAN PLAY

You must be at least **13 years old** and have a valid Telegram account. To take part in the raffle, you must be **18 or older**. If you are a minor in your country, use the game with the permission of a parent or guardian.

2. YOUR ACCOUNT

Your account is created from your Telegram account and is personal. Login is your own Telegram account: there is no Boyzueira password.

Each person may have one account, and each social account (Instagram, TikTok or YouTube) can only be linked to one player. You are responsible for what happens on your account.

3. FREE GAME

Playing Boyzueira is free. No feature of the game requires payment to level up, do tasks, play with the squad or take part in the raffle.

4. VIRTUAL ITEMS AND CURRENCIES

In-game followers, gems, chips, items, clothes, rides, scenarios and other game elements are virtual. They **have no cash value**, cannot be exchanged for money or withdrawn, and do not belong to you: you only receive a license to use them inside the game.

In-game followers exist only inside Boyzueira and have nothing to do with your followers on social media.

We may adjust values, rules and game balance at any time. Some features may appear as experimental or in development and may change or be removed.

5. HEAD-TO-HEAD GAMES

In head-to-head games (Truco do BZ and Pênalti da Zueira), players bet **in-game followers**, never money or tokens. The winner takes the pot, minus the house fee shown before the match, which is removed from the game. Bet limits and the minimum level are shown in the game itself.

Fixing results between accounts, using secondary accounts to transfer followers or any other kind of manipulation is prohibited and may lead to the removal of the followers won and the closing of the account.

6. RULES OF CONDUCT

It is prohibited to:

- use bots, scripts, automation or programs to play or tap for you;
- create multiple accounts or use other people's accounts;
- exploit bugs in the game instead of reporting them;
- buy, sell or transfer accounts or items outside the game;
- post illegal or offensive content, or content that violates the rights of others;
- try to disrupt the game or access systems without permission.

If you break these rules, we may remove balances, items and raffle numbers obtained irregularly, and suspend or close your account. The rules for living together are in the **Community Guidelines**.

7. THE BZ RAFFLE

The raffle is **free**. We never ask for money, fees, PIX transfers or bank details to take part or to receive a prize. Be suspicious of any contact that does not come from the official bot @boyzueira_oficial_bot; results are announced on @boyzueira.oficial.

To take part, you must be 18 or older, accept the rules of the round and verify at least one social account. The full rules (how to earn numbers, how the draw using Brazil's Federal Lottery works, deadlines and prizes) are in the **Raffle Rules**, and each round may have its own rules, shown in the game.

8. INVITES AND AFFILIATES

Invite rewards only apply to real invites of different people. Fake invites, accounts created to earn rewards or arrangements between accounts may have their rewards cancelled. Affiliate codes are personal and may be deactivated at any time.

9. THE \$BOYZ TOKEN

\$BOYZ is the token of the Boyzueira universe, on BNB Chain, with a public contract at the address **0xdBa22a3050A58a35738D8B6f56677Be695006F0d**. It is separate from the virtual items and currencies of the game described in section 4.

Holding \$BOYZ is optional and not required to play. The value of the token depends on the market and can go up or down; nothing in Boyzueira is a promise of profit, investment advice or an offer of securities. Read the **Legal Disclaimer** and the **Whitepaper** before any decision.

BOYZUEIRA LLC will never ask for your password, login code, seed phrase or private key.

10. INTELLECTUAL PROPERTY

The game, characters, artwork, music, brands and texts belong to BOYZUEIRA LLC or its licensors. Third-party brands that appear in the game belong to their owners and are used for reference only. Boyzueira's characters and situations are fiction and parody.

11. AVAILABILITY AND CHANGES

The game is provided "as is". It may go offline, have errors or change. We may change, suspend or end the game or parts of it, including raffle rounds, with notice in the game whenever possible.

12. LIABILITY

To the extent permitted by law, BOYZUEIRA LLC is not liable for the loss of virtual items or balances, for the unavailability of Telegram or other platforms, for changes in the price of \$BOYZ, or for indirect damages. Nothing in these Terms limits the rights that the law of your country guarantees you as a consumer.

13. TERMINATION

You can stop playing whenever you want and request the deletion of your account through the contact channels below. We may suspend or close accounts that violate these Terms.

14. GOVERNING LAW

These Terms are governed by the laws applicable to BOYZUEIRA LLC, without prejudice to the rights that the law of the country where you live guarantees you.

15. CHANGES TO THESE TERMS

We may update these Terms. When a change is important, we will announce it in the game. If you keep playing after the update, you accept the new version. The latest version is always at boyzueira.com.
